COMPANY

QUALITY AND EXPERIENCE

Our company was founded in 1964.

In the early years of our activity we dedicated ourselves to the design and production of aluminum components exclusively for some of the most renowned companies in the world of furniture.

close collaboration with important players in the sector and the continuous drive to find original solutions to customer needs have enabled us to acquire distinctive skills in designing, developing and industrializing unique components.

Today we are able to offer a wide range of patented products, designed to make exclusive: wardrobe cabinet, living room, kitchen, bathroom and office furniture.

We search for solutions to guarantee innovative and exclusive products: this is the only way we can improve what we offer our customers and propose solutions that use aluminum in an innovative way.
